JOIN THE HYPE

Our name speaks for itself. Here at Hype Socks, we are a group of passionate entrepreneurs who all share the same common goal: Spreading the Hype about custom athletic socks!

Hype Socks was created to bring you a fully customizable sock perfect for any sport or occasion. Through constant research and development, we knit our custom socks with lightweight and breathable polypropylene, nylon and elastic yarns that provide exceptional moisture-wicking, compression, and cushioning that our athletes love!

- Managing moisture with our breathable materials aids in blister and odor control with anti-microbial properties to guarantee that your feet are dry and comfortable throughout all athletic competition

- Supportive fit provided by our arch and ankle compression promotes stability and delivers the ultimate athletic performance-wear to keep you injury-free

- Ergonomically designed and zoned cushioning in the heel and toe helps absorb impact from the playing surface to assist in reducing fatigue and provide a more comfortable playing experience

Our fully customizable sock catalog with sport specific choices leaves customers with endless options. At Hype Socks, we want you to have full command over the design and style of your custom socks. You will work closely with one of our experienced inside account executives to design a killer sock that is sure to stand out on any playing field.
